

R&R K9 Canine Center Narrative

R&R K9 LLC proposes to repurpose an existing building into a comprehensive canine care center. The facility will feature a full-service dog grooming salon offering bathing and haircuts, a dog daycare program with capacity for up to 25 dogs, and a boarding area with 30 kennels to accommodate overnight stays for up to 30 dogs.

Additionally, there will be a fenced outdoor area measuring approximately 30 feet by 40 feet designated for dog activities and bathroom breaks. All dog waste will be properly disposed of by using waste bags and placing them into designated garbage receptacles.

This project is expected to create employment opportunities for up to six staff members.
